Dear Prof. Lee:

Thank you for sending us a copy of *Concentric* for our review. We would like to index your journal in the MLA International Bibliography and list the journal in the Directory of Periodicals.

The MLA International Bibliography, the most widely distributed humanities database, is the preeminent reference work in the fields of literature, language, linguistics, folklore, and teaching. The bibliography lists over 1.5 million citations, and is available worldwide in print, online, and on CD-ROM. Most North American and European higher-education institutions subscribe to the bibliography; it is used by a broad range of researchers from high school students to senior scholars.

We would like to provide current and comprehensive coverage of *Concentric* in the MLA International Bibliography. Because our indexers examine each article in every journal we index, we need a copy of each journal we include. Could you provide us with a complimentary subscription to *Concentric*? The subscription should be addressed to:

I have enclosed below a questionnaire that will aid us in listing your journal in the Directory of Periodicals. The directory contains detailed

information on over 4,500 journals and book series publishing in literature, language, linguistics, and folklore, regardless of frequency. Will you please respond to the questions that pertain to your publication and return the questionnaire to us as soon as possible?

Please do not hesitate to contact me if I can be of further assistance.

Sincerely yours,

David Wright
